Introduction – in POWER PITCH format

- **KENTON JOHNSON, CEO, PROSPER SYSTEMS**: 9 Consultants with average 34 years' experience – TeamResume.ProsperSystems.biz
- **PROBLEM Solved**: Working with Startups and even Expansions, we find that they are *NOT* fully prepared to fire their rocket ship engines, so they don't get off the ground, and definitely don't fly.
- **Unique & Powerful SOLUTION**: Over the last 20+ years, we've developed THE solid step-by-step process to make STARTUP rockets fly successfully.
- **WHAT NEED NEXT**: Companies *or their Investors* committed to rocket to next stages and beyond.
